

002 – Orientation Program
[Grade Nursery to Grade V]

Dear Parents,

We understand that selecting the right school for your child is an extremely important decision. We are delighted that you have considered "RKL GALAXY INTERNATIONAL SCHOOL" for your child. Families are drawn to RKL Galaxy International School for several key reasons.

We have limited students per classroom, fostering wonderful interaction between children and teachers. Parents will find a place where their children will be loved and challenged rather than getting lost in the crowd.

We assure you that our school will be life giving. We acknowledge the fact that many parents desire consistency between home and school. Our Teachers will strive to encourage their students to participate in classroom life. They will be challenged to grow intellectually & spiritually. The academic program is designed as such to bring in overall development of the student.

Kindly Note that on **ORIENTATION PROGRAM** is arranged on Saturday 16th June 2018 for all students and parents.
