

Admission Confirmation for Academic Year 2019-20 (LKG -Grade VI)

Dear Parents,

Greetings of the Season!

*"May the Joys of the Season
Fill your Heart with Goodwill and Cheer."*

It gives us immense joy and pleasure to accept you as our partners in exploring the unique talents of your child. It is the care for your loved ones that has brought you to us at *RKL Galaxy International School* and jointly we shall 'Rise High & Soar'.

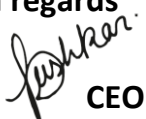

At *RKL Galaxy International School* the objective of our academic programme is to harness the multiple skills & talents of our students through a holistic teaching process, aided with a variety of skill-based activities, which enables students to become Global Citizens of Tomorrow.

Many milestones have been achieved; many are yet to be conquered. We thank you for your constant support and co-operation extended to us. With fresh hope and new thinking, we are certain *RKL Galaxy International School* will grow in stature as it has grown chronologically.

The School Management:

- Has requested parents of **existing students** to confirm their ward's seat for the Academic Year 2019-20.
- Has kindly requested parents to fill up the consent form and submit it to the respective class teacher only latest by **21st January 2019**, and confirm the seat for admission for Academic Year 2019-20 for LKG to Grade VI.
- This will help us to fill the vacancy of the wait listed new admissions. **Failure to do so on the given submission date will invite a view of subsequent cancellation of admission.** This is in lieu of the overwhelming response from outsiders, for New Admission for next Academic Year 2019-20.
- Has decided that the Criteria for admission to the next Academic Class, for all students will be based on a) Academic performance b) Discipline c) Adherence to School Policy, Rules and Regulations d) Policy regarding school fee payment schedule.
- Has provided the Information on the revised fee structure for Academic Year 2019-20 on the School Notice Board.
- We endeavour to work with the parents as a team and consider them equal partners in the child's growth and will subsequently unfold the RKL Learning System for our valued parents.
- Your cooperation will help school to progressively take care of its logistics and provide a stable environment for all its members.

Warm regards

CEO

RKL Galaxy International School
